Temperature Measurement Specialists To Industry

Company Profile

Temperature Measurement Specialists to Industry

Company Profile

INTRODUCTION

Established in 1978, H&b Sensors specialise in the manufacture of a wide range of temperature sensors and associated products in accordance with our ISO 9001:2008 certified management system. Exporting temperature measurement products to over 100 countries worldwide, H&b have become a world leader in the temperature sensor market.

H&b's core product range includes platinum resistance thermometers, thermocouples, thermowells, bi-metallic thermometers, platinum detectors, temperature transmitters, level float switches, and miniature heaters.

H&b supply temperature products into a wide range of different industries including: Aerospace, Automotive, Chemical, Defence, Food & Beverage, Life Sciences, Machine Building, Marine, Oil & Gas, Petrochemical, Pharmaceutical, Power Generation, Water & Wastewater.

Our commitment to our customers is for a fast, efficient and cost effective service. We are confident that through our wide range of professional expertise and flexibility we can offer a service second to none.

| Office | Monday - Thursday | 8.00am - 5.00pm |
| | Friday | 8.00am - 4.00pm |
| | Weekends | Closed |
| Factory | Monday - Thursday | 7.00am - 4.45pm |
| | Friday | 7.00am - 1.30pm |
| | Weekends | Closed |

PRODUCTS AND SERVICE RANGE

H&b Sensors Limited are manufacturers and suppliers of a wide range of temperature sensors and associated products including:

- Platinum Resistance Thermometers
- Thermocouples
- Connection Heads & Extension Pieces
- Bi-Metallic Thermometers
- HBS 6000 Programmable Transmitter
- Temperature Transmitters
- Displays
- Thermowells
- Certified Products
- Level Float Switches
- Miniature Heaters
- Pressure Products
- Orifice Plates
- Sensor Components
- Special Assemblies

Company Profile

CUSTOMERS

H&b Sensors has a customer base in excess of 1000 customers including:

- Alstom Power
- Bernard Matthews
- BP
- British Energy
- British Gas
- Cadburys
- Carlsberg
- Cooper Tires
- Dairy Crest
- E.ON
- Ford Motor Company
- Goodrich Power Systems
- HP Foods
- InBev UK
- Mars Chocolate
- McCain Foods
- Mercedes Benz
- Met Office
- Molson Coors Brewing
- National Grid
- Nestle
- Pfizer
- RWE Npower
- Scottish & Newcastle
- Scottish & Southern Energy
- Siemens
- Stag Brewing
- Tennent Caledonian Breweries
- Unilever
- Yeo Valley

Registration No: 1448023
VAT Registration No: GB321828666

Company Profile

PLANT & MACHINERY

- CNC Lathes (4 Off)
- Centre Lathes (5 Off)
- Twin Spindle Deep Hole Drilling Machine
- Surface Grinder
- Radial Drill
- Swaging Machines (2 off)
- Milling Machines (3 Off)
- TIG Welders with Vertical & Horizontal Turntables
- M.I Welder
- Pressure Test Rigs
- Ultrasonic Twin Bath Cleaning Tank
- Automated Engraving Machine
- CAD Design Service (AutoCAD)

Plus all the normal drill, polishers, cleaners, etc that are to be found in any well-appointed machine shop. The company also has an ASME IX qualified welder and a PCN level II qualified NDT inspector.
